

The Stanford University Libraries

September 19, 2015

To: Brazilian Institute of Information in Science and Technology - IBICT

From: LOCKSS Program - Stanford University

**Re: Annuity contract of the IBICT participation in LOCKSS Alliance,
Stanford University Libraries.**

IBICT participation in the LOCKSS Program has increased 3.5% from
\$68,959.00 to \$71,372.57

Please note:

1. Costs increased 3.5% in 2015 as per the yearly inflation index.
2. The new contract specifies new work, for which IBICT is not paying additional funds.
3. *IBICT is getting a substantial price reduction.*
